**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am not in favor of price hikes that will increase the cost of the internet and telephone service. I am not in favor of eliminating regulatory rules that eliminate competition. I live in a rural area and a small business fiber internet provider is my only real option. This will be eliminated if they go out of business due to a change of rules. Thank you.
